

WELCOME

We welcome you to the Musgrave Arms and hope you have an enjoyable visit.

April brings with it Spring and the promise of Summer, when we can spend lazy afternoons and evenings sat in a pub garden enjoying the company of our friends and family, sipping a refreshing drink. If we do suffer a few April showers though we must remember that "April Showers bring May Flowers".

In April this year we will be celebrating Easter and the first Bank Holiday of 2009! We have extended our food opening hours over the Easter period and hope we can help you celebrate the weekend. Also in April is St. George's Day when we celebrate the Patron Saint of England - look out for the traditional English dishes on our menu.

Live music this month is on Friday, 24th April when we welcome our popular female vocalist, Frankie, to entertain us.

If you would like to discuss any bookings or have any special requirements please do speak to us.
